## Professional Summary

Experienced Critical Care Physician with 18+ years in ICU medicine, leadership, and hospital operations. Proven success in reducing ICU-acquired infections (VAP, CLABSI, CAUTI) through strategic protocol implementation. Demonstrated excellence in developing and executing antibiotic stewardship programs, enhancing patient safety and care efficiency. Adept in leading medical teams and coordinating cross-functional units to deliver evidence-based outcomes.

## Core Competencies

- ICU Leadership & Multidisciplinary Team Management
- Protocol Implementation & Infection Control (VAP, CLABSI, CAUTI)
- Antibiotic Policy Development & Stewardship
- Advanced Critical Care Procedures & Resuscitation
- NABH Compliance, Quality Control & Audits
- Training, Mentorship & CME Programs

## Professional Experience

### Senior Registrar - Critical Care

*Zenith SuperSpecialist Hospital, Kolkata | 2021 - Present*

- Led ICU team in daily rounds and interdisciplinary care planning.
- Implemented infection control bundles, resulting in reduced VAP and CLABSI rates.
- Conducted team training on evidence-based weaning and sepsis protocols.

### Senior Registrar - Critical Care

*Bengal Faith Medica Hospital | 2019 - 2021*

- Oversaw all critical interventions including intubation and central lines.
- Played key role in NABH readiness, focusing on infection surveillance.

### ICU Incharge

*Midland Hospital, Kolkata | 2018 - 2019*

- Led protocol implementation to standardize ICU practices.
- Championed reduction in HAIs, especially CAUTI, by workflow optimization.

### ICU Incharge

*Dafodil Hospital, Kolkata | 2014 - 2018*

- Developed and executed local antibiotic protocols to support antimicrobial stewardship.
- Liaised across departments to improve patient flow and ICU throughput.
