

JOHN KONUKU

PHOTOGRAPHER

Objective

I'm a Recent photography graduate.

And eager to apply my skills in composition, lighting, and editing to capture compelling images across various styles

I am looking for an opportunity to collaborate with a professional team, grow my technical skills, and contribute fresh, innovative perspectives to every project I undertake.

Technical skills

With a strong foundation in technical photography, I possess a keen eye for light and composition, allowing me to capture stunning images. I'm proficient in handling any kind of cameras, adept at utilizing studio and natural lighting techniques, and skilled in manipulating light with modifiers like softboxes and reflectors. My post-production expertise in Adobe Photoshop and Lightroom enables me to meticulously retouch images, enhancing skin tones and overall aesthetics. I've honed my skills in various photography genres, including Adversting, Glamour, Fashion, and Automobile photography

Key skills

Good communication and interpersonal skills.

Ability to work independently and collaboratively

Detail-oriented with a keen eye for capturing the perfect shot.

Efficiently managing time ,Strong problem-solving skills

Ability to work longer hours and be easily adaptable to work in unusual environment

Software skills

1. Adobe photoshop and lightroom
2. Adobe premier pro
3. Capture one
4. MS-Office
