

TIYASHA NANDY

Agri Business Management | MBA Candidate | Supply Chain & Marketing Enthusiast | Market Research & sales/marketing experience | Quality Control Experience | Passionate About Sustainable Agriculture Solutions

I'm Tiyasha Nandy, a driven and results-oriented MBA student at Swami Vivekanand University, specializing in Agri Business Management with a minor in Supply Chain Management. With a strong foundation in both agriculture and business, I am passionate about bridging the gap between innovative agricultural practices and sustainable business solutions.
